

GIG-LINK

Making hiring and
freelancing
seamless

So why
GIG-LINK?

The target audience

“

►Hirers

►Freelancers

The problem

Due to the advent of technology there is a rise in the gig economy

More project managers and start-ups are looking into hiring freelancers for short term work

Finding the right people can be costly especially when using an agent

Our answer

It's a platform where both freelancers and hirers can easily connect

With a clean and simple interface with all information needed easily accessible

Here in [GIG-LINK](#) we make things easy and free

DEMO TIME!
